

Voted Cobb County's Best Retirement & Assisted Living Communities 5 Years in a Row!

"What I've learned is that all communities talk about wellness and socialization... but they don't have the wellness center, green space, programming and staffing that Sterling Estates has. No one can match what Sterling provides for their residents period. My parents are thriving at Sterling Estates... bet yours will too."
~ Susan S.

"We sold our home of 20+ years earlier this year, above our asking price, and moved into our beautiful cottage home at Sterling Estates, freeing us from all the responsibilities of homeownership. We freed up cash, traded in property taxes and constant maintenance for the many benefits we've discovered living here at Sterling. We exercise more than ever. I love to walk through the grounds and enjoy the large wellness center, while my wife swims almost daily in the indoor heated pool. She is fond of her weekly art classes. A day here is much more fulfilling for us, we wished we had moved sooner. We encourage you to come see what we mean." ~ Bill and Sally R.
