IT'S YOUR TIME TO LIVE A STERLING LIFE, VOTED BEST ACTIVE SENIOR LIVING IN EAST COBB

Elegantly Appointed Cottages Designed For The Way You Live

“

We sold our home of 20+ years earlier this year, above our asking price, and moved into our beautiful cottage home at Sterling Estates, freeing us from all the responsibilities of homeownership. We freed up cash, traded in property taxes and constant maintenance for the many benefits we've discovered living here at Sterling.

A day here is much more fulfilling for us, we wished we had moved sooner. We encourage you to come see what we mean.
